Corporate Cookery Events

At Cambridge Cookery our team cookery events offer a high quality experience unlike any other in Cambridge. We have great formats for fun away days, parties or team building activities away from the confines of the office or conference room. Equally, we can create the perfect environment for client entertainment, product launches and conference round-offs. Everything can be tailor made to suit your needs.

Feedback from corporate guests is never less than rapturous as our high octane, superbly organised Food Safaris or MasterChef concepts for groups from 5-150 roll into action. The outcome is a long lasting, highly positive memory of a shared experience that goes beyond more formal and less interactive activities.

Concepts and Costs

Choose from the options below or feel free to contact us if you have something specific in mind - we are happy to customise to your individual needs

90-minute events

£90pp

There is nothing “conveyor belt” about our 90-minute events. We use only the best ingredients, superb equipment and skilled chefs.

Sushi making

Our Cordon Bleu trained sushi chef Hitomi makes sushi like no other. Hitomi will introduce you to the fascinating origins of different types of sushi, how to make the ultimate sushi vinegar and the importance of the right rice. We use ultra fresh fish and vegetables for this hands on master class in rolling, filling, cutting and presenting. For those with a steady hand, there will be an opportunity to have a go at slicing fish using Hitomi's much cherished Japanese sushi knife. Eat in our beautiful setting or prepare Bento boxes for a punt or picnic.

Wine and cheese tasting

If you thought red wine and cheese was a match made in heaven, think again. We will show you why white and fortified wines are often a better match for mature cheese, whilst also steering you towards the cheeses which do have the ability to make certain red wine sing. Our beautiful cheese platters are presented with our hand made sour dough, Swedish rye and seasonal preserves. This is a great stand-alone event but it also beautifully rounds off one of our

Cocktails & canapés

Make 3 different, seasonal cocktails whilst we teach you how to create stunning, yet easy to make, canapés. Sip while you make! This is a great stand-alone event but it also works really well before one of our Master Chef cookery events. Enjoy all the canapés in our beautiful setting or take away on a punt or picnic.

Chocolate!

Our amazing Chocolatier Riadh joins us from the west coast of Canada where she trained as a chocolatier with chef Marco Ropke at the Pastry Training Centre of Vancouver. She blends her education of traditionally made chocolates and confections with natural, seasonal botanical infusions, drawing on freshly foraged ideas and ingredients.

Chocolate making

Following a brief introduction to the history of cacao, the difference between couverture and chocolate and what tempering means and why it is important, you will temper, fill, paint and decorate beautiful pralines to take any in a stunning gift box. Or to eat all on your own!

An inspiring hands on session with a highly skilled and talented expert.

Boozy Chocolates!

Match an exquisite selection of Riadh's hand made pralines with wine, craft beer and cocktails for a fun, delicious and surprising session!
